

Will you be  
my girlfriend?

You're worth all  
the jelly beans.

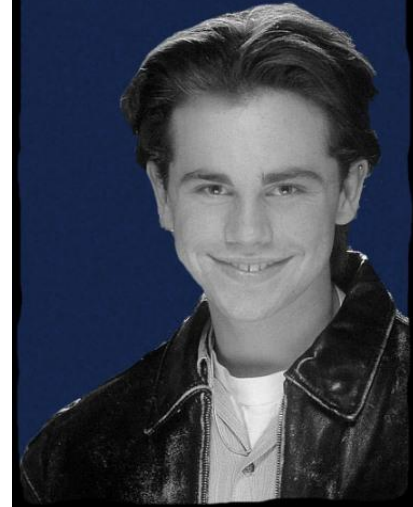

(even the red ones)

I'll bring you  
pudding.

I'd break my  
2 week rule  
for you.

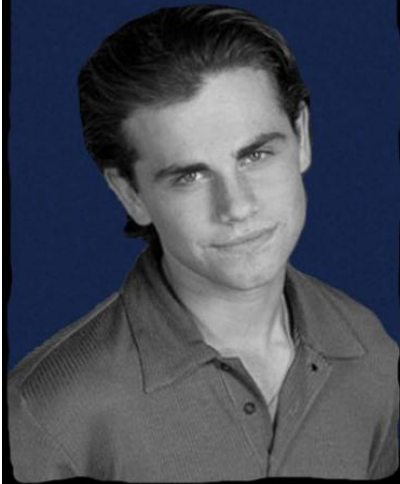

I'd flip for you.

(if you're in my 30 foot range)

I fall in love  
5 times a day.

You do your thing,  
and I'll do mine,  
and if we end up  
together in the end,  
it's beautiful.

With this outfit  
and this hair?  
Hello, buh-bye,  
I am SO at the mall.

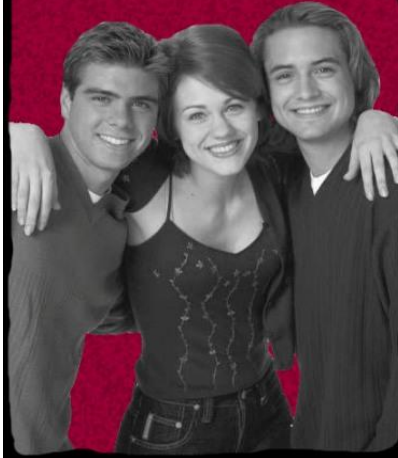

If you sprained  
your ankle,  
I'd keep you  
company.

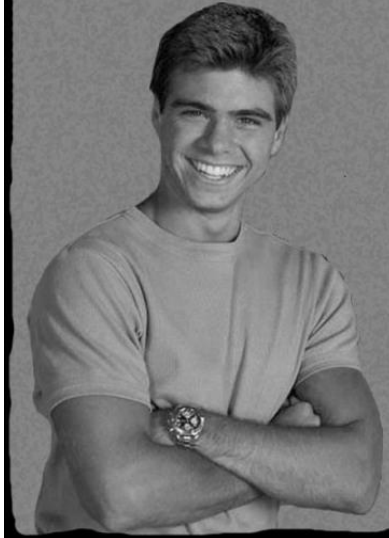

Stop lookin...  
and start kissing!

We're gonna be just  
like girlfriends!

I think you're  
abs-olutely beautiful!

Book 'em  
Good-lookin'!

I'll be your  
one man show.

I play with squirrels,  
not your heart.

Hi,  
I'm stupid  
and superficial.

I love you all.  
Class dismissed.

Believe in yourself,  
dream,  
try,  
do good.

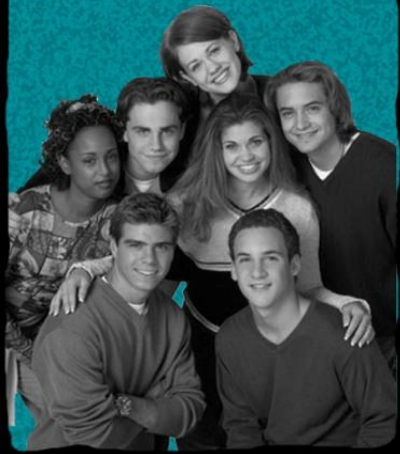

Be careful with  
that valuable  
equipment!

I like smart girls.

It's good to know  
I have friends  
that will always  
stand by me.

Want to go  
for a ride?

Underpants!

I don't really know anything, I'm just cute and fun to watch.

Would it be your first kiss?

You little badger.

Thank you for not being a mal-adjusted woman hating loser freak.

I'll beee yours forever.

Shazam!

I've been to three country fairs, two pig stickin's, and a goat rope, but I ain't never seen nothin' like you.

Hey, you're crushing my cigarettes.

I came to woo her, and by gum, woo her, I will.

Only cool kids have a secret hand shake.

I'm looking for some hot stuff.
