

I'll serenade you
with my banjo.

I'm a superhero
in my underwear.

I'll show you my journal
if you show me yours.

What light through yonder
window breaks? It is the east,
and you are the sun.

You inspire me.

I'll buy you something
very expensive.

I'm so glad
we're friends!

Let's jam!

Joey cook amoonga,
you're pretty!

Will you be my
(Mrs.) Valentine?

Don't make me blue,
say you'll be mine?

Come over for dinner,
I make kiffer tofu.
