

We can be anything  
we want to be.

Hey!

Let me be your  
football head.

You're a bold kid.

Are you thinking  
what I'm thinking?

I'll steal your heart.  
(I'm a ninja.)

I'll drive you wild.

Keep cool  
short man!

You're my Pookie.

What's shakin',  
bacon?

I idolize you.

You're ever so sweet.

You've carried  
my heart away.

---

I'd leave my  
stoop for you.
