

You're the kind of girl every guy dreams of. Great looking, smart, funny. I'll be your blonde Tom Cruise. You are a perfect 10. You are perfect in every way.

Call me maybe?

I can make your dreams come true.

You're my favorite person, barre none.

You've got a hold on my heart.

Hey mama, what's up?

You've captured my heart.
(and my rook)

Science is fun!
Let's explore our chemistry!

If you want beautiful scenery, baby; wait 'til you see me in a wet t-shirt.

Ra Ra
Shish Koom Bah

Can I take your order?

This cheer is for you.

I'll keep your secret if you keep mine.

(My middle name is Myrtle.)

I'm just the girl next door.

Did you hear?
(I think you're cute.)

My love for you has no limit.
(unlike my credit card)

Hey, hey, hey, hey hey!
What is going on here?

You're such a pal.
My princi-pal.

Good morning!
Have a
Bliss-ful day!

I can make you
forget everyone
else exists.

You're magical!

Will you be
my nerd?

I like long walks
on the beach.
